

# Where Can I Find That?

## Your guide on where to find information in Knights of Columbus publications

Looking to find information on a certain topic? This index can help. Below and on the following pages is a listing of subjects and the item numbers of publications that contain information pertaining to them. On the last page of this flyer is a list of K of C publications and their item numbers. Simply compare the item number from the index to the list on the last page to find the name of the publication for which you're looking. All the publications in this index are available from the Supreme Council Supply Department. You can order these publications by faxing the Supply Department at 1-800-266-6340. They are free, unless otherwise noted, when ordered in reasonable quantities. Your only charge is for shipping expenses.
